PROGRESSION

All courses required for the nursing program must be completed with a "C" or better. Nursing courses include a theory grade and a clinical grade. Both components of the course must be passed to progress in the program. All first semester courses must be completed with a "C" before the student may progress to second semester.

READMISSION

Students admitted and enrolled in nursing are allowed one re-admission according to space available. Students must enroll within three years of previous enrollment in a nursing accelerated option for LPN applicants.
