**COMPLETION AWARD: Associate of Applied Science Degree in Nursing**

### PROGRESSION

All courses required for the nursing program must be completed with a 76% or better. Nursing courses include a theory grade and a clinical grade. Both components of the course must be passed to progress in the program. All first semester courses must be completed with a 76% or better before the student may progress to second semester.

### READMISSION

Students admitted and enrolled in nursing are allowed one re-admission according to space available. Students must enroll within one year of previous enrollment.
